

# Eaton 3S UPS

Innovative plug-and-play power and surge protection for computers, gaming consoles and AV equipment.

The new Eaton 3S is an all-in-one UPS, surge suppressor and power board. The 700VA model is designed to save energy through its unique EcoControl function which automatically disables peripherals when the master device, such as a computer, is turned off. It can save up to 30 percent of power consumed by idle peripherals.

#### Features:

- 550VA/330W & 700VA/420W Models
- New EcoControl, function on 700VA
- 6 Australian outlets – 3 UPS + Surge, 3 Surge
- HID USB port – automatic integration into major OS
- Multiple mounting options
- Telephone & Network surge protection
- Automatic battery testing – advanced warning of battery failure
- User replaceable battery
- Personal Solution Pac software
